

What your child will need to bring with them

We ask that each child brings with them each day the following:-

Packed lunch

Suitable clothing for the session

Parents should note that the children play outside in all weathers and their clothing should reflect this.

We would also like to stress to parents that some of the activities that we do are messy so please don't send your child in their best clothing as we cannot accept liability for any damage

Wet and wild

When the club is doing wet and wild children will need to bring shorts and t shirt to get wet in, or waterproofs depending on the weather, a towel and footwear that can get wet

Trips

We suggest that children bring a packed lunch (unless otherwise specified), drinks, waterproof coats, a hat, sun cream and suitable footwear. The majority of trips will incur a small extra charge to cover travel and entry costs.

Could Parents be aware that activities can change and if they are attending the club for a particular activity please check with a staff member that the activity is still taking place

Opening Times

7.30am til 5.45pm

Fees

Full Day £27.50

Half Day £15.00

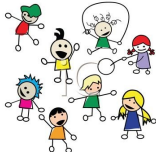

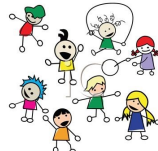

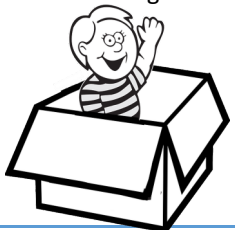

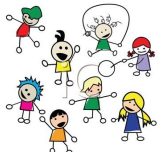

Wybers Wood Out of School Club Summer 2021
